HOUSING RESOURCE DIRECTORY

FEDERAL PROGRAMS

U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT (HUD) FUNDED PROGRAMS

Home Investment Partnerships (HOME) Program

The HOME program expands the supply of decent, affordable housing for low- and very low-income families; builds state and local capacity to design and carry out affordable housing programs; provides financial and technical assistance to participating jurisdictions; and strengthens partnerships among all levels of government and the private sector in the development of affordable housing.

Statewide HOME Program

The Montana Department of Commerce (MDOC) Housing Division administers the statewide HOME program. This program allows tenant-based rental assistance; first time home buyers assistance; property acquisition; new construction; homeowner rehabilitation; building rehabilitation; site improvements; and other activities for developing non-luxury housing. All HOME funds assist families with incomes at or below 80% of the area median income.

All Montana cities (except Billings, Great Falls, and Missoula, which are entitlement cities with their own funding and programs), counties, contiguous units of local government, public housing authorities (PHAs), and MDOC-certified community housing development organizations (CHDOs) are eligible to apply for HOME funds. A minimum of 15% of HOME funds is set-aside for CHDOs doing CHDO-eligible activities (*development*, o*wnership*, and *sponsorship* of housing projects) within their jurisdiction.

In 2006, the Montana HOME Program instituted a pilot program to allocate half of its annual allocation of funds on a statewide basis to entities conducting homebuyer assistance (HBA) and homeowner rehabilitation (HOR) programs. Cities, counties, PHAs, and CHDOs submit a qualification package rather than an application. There is no deadline, no application, and no scoring for programs providing HBA or HOR. The pilot program took effect June 1, 2006 and will continue in 2007.

The remaining half of the HOME allocation will fund the construction, acquisition and/or rehabilitation of rental property; tenant-based rental assistance; or development of new housing for homeownership. The development of new housing for homeownership involves projects requiring longer than 180 days to complete. The funds will be allocated under the normal competitive grant application process with a

February 16, 2007 deadline and will follow the *Montana HOME Investment Partnerships Program Application Guidelines - Fiscal Year 2007.*

An individual may not apply directly to the HOME program; however, individual households are the ultimate recipients of all HOME grant funds through the eligible applicants. See information starting on page 34 on local HOME-funded homebuyer assistance and homeowner rehabilitation programs in place as of December 2006.

Contact: Ethan Stapp, HOME Program Manager, Housing Division, Montana Department of Commerce: 406.841.2818.

City of Billings HOME Program

See page 4.

City of Great Falls HOME Program

The HOME Program of Great Falls is dedicated to funding projects that expand the supply of decent, safe, sanitary, and affordable housing for very low-income citizens of Great Falls. Eligible activities administered by local for-profit or nonprofit organizations or Neighborhood Housing Services, Inc. (a local CHDO) include housing assistance to very low- and low-income renters, housing assistance to very low- and low-income homebuyers, and housing assistance to homeless persons and households. Examples of eligible projects include new construction of affordable housing, housing rehabilitation, down payment, and closing cost assistance to low-income homebuyers, and transitional housing programs for homeless persons and households. Only projects located within the city limits are eligible for funding. Project proposals are accepted on an annual basis. Technical assistance for project development is available.

Contact: Chris Imhoff, Grant Administrator, Community Development Department, City of Great Falls: 406.455.8407; 406.454.0495 for the hearing impaired.

City of Missoula HOME Program

The City of Missoula administers a HUD-funded HOME Program designed to expand the supply of affordable housing opportunities for low- and moderate-income residents within the city limits. Activities eligible for HOME funding include new construction, property acquisition, residential rehabilitation, homebuyer assistance, and rental subsidy. The city solicits requests for funds on an annual basis. Currently, Missoula accepts requests from certified CHDOs only. Technical assistance is available to applicants and to agencies interested in qualifying as CHDOs.

Contact: Nancy Harte, Grants Administrator: 406.258.4934; or Cindy Wulfekuhle, Principal Grants Administrator: 406.258.4657; Missoula Office of Planning & Grants.

Community Development Block Grant (CDBG) Program

The CDBG program is a flexible program that provides communities with resources to address a wide range of unique community development needs. The primary objective of the CDBG program is to develop viable communities by providing decent housing and a suitable living environment and by expanding economic opportunities for low- and moderate-income persons (LMI). Each activity funded must benefit at least 51% low- and moderate-income persons.

Statewide CDBG Program

Montana's statewide CDBG program is a competitive grant program designed to help Montana communities of less than 50,000 in population with their greatest community development needs. The state makes CDBG grants for community development activities to units of general-purpose local government (counties and municipalities, except Billings, Great Falls, and Missoula).

Montana administers two components of the state CDBG program through the Community Development and Business Resources Divisions of the MDOC. Two-thirds of the program funding is for public facility and housing projects, administered by the Community Development Division. One-third of the funding is targeted for economic development projects, administered by the Business Resources Division.

Some of the activities that can be carried out with CDBG funds include acquiring real property; rehabilitating residential and nonresidential properties (including special facilities for persons with disabilities); constructing new, affordable housing (when sponsored by a nonprofit organization); providing public facilities and improvements such as water, sewer or solid waste facilities, senior citizen centers, rural hospitals and nursing homes; and assisting for-profit businesses to promote economic development activities that will result in the creation or retention of jobs for low- and moderate-income persons.

Under the housing and neighborhood renewal category, CDBG funds can be used to provide homebuyer assistance, including subsidizing interest rates and mortgages for low- and moderate-income homebuyers. CDBG funds may also be used to make low interest loans or grants to low- and moderate-income families to allow them to rehabilitate homes in substandard condition. CDBG funds can also be used to finance or subsidize the construction of new, permanent residential units for LMI households where the CDBG funds will be used by a local nonprofit organization. Housing projects can include site improvements to publicly owned land or land owned by a nonprofit organization to be used for new housing. Community revitalization activities, such as neighborhood clean-up and fix-up projects, as well as the demolition of vacant, seriously dilapidated structures are also eligible housing activities.

Transitional (temporary) housing is eligible under the housing category. The acquisition of sites for new housing and conversion of existing nonresidential structures for residential use are also eligible CDBG housing activities.

Contact: Gus Byrom, CDBG Program Manager – Housing and Public Facilities, Community Development Division, Montana Department of Commerce: 406.841.2777.

City of Billings HOME and CDBG Programs

The City of Billings HOME and CDBG program funds are used to achieve common goals and objectives of the city's Consolidated Plan. The Billings CDBG and HOME program funds are used to promote fair housing and affordable housing citywide; to preserve and revitalize the city's existing affordable housing stock; and to improve and revitalize neighborhoods where existing affordable housing stock is located. HOME program funds are specifically used for first-time homebuyer activities and to help finance new affordable housing projects. CDBG program funds are also used to support new housing activities, but primarily are used for activities that update and improve the community's existing affordable housing stock.

Contact: Brenda Beckett, Community Development Manager, City of Billings: 406.657.8286; Fax 406.657.8327.

City of Great Falls CDBG Program

The primary objective of the City of Great Falls CDBG program is to use grant funds to benefit low- and moderate-income people or to eliminate slums and blight. Providing decent housing, a suitable living environment, and expanding economic opportunities for low and moderate-income people enhances the community.

The City of Great Falls offers two CDBG-funded programs to individuals within the city limits to promote affordable housing: the deferred payment loan program provides no-interest loans to low-income homeowners for code-related repairs; and the rental improvement fund program provides no-interest loans to landlords to rehabilitate sub-standard rental units that will be made affordable to low-income tenants.

The city also allocates CDBG housing funds to both for-profit and nonprofit organizations that develop accessible, affordable rental housing and to Neighborhood Housing Services, Inc., for programs that address the purchase, rehabilitation, and new construction of affordable housing.

The city uses CDBG funds to improve public facilities that are primarily used by low-income people, to make infrastructure improvements in low-income neighborhoods, to promote handicap accessibility, and to provide support to public services agencies whose programs benefit very low- to moderate-income people. The city encourages

the use of CDBG funds in economic development activities that will increase job opportunities for low-income people.

Only projects located within the Great Falls city limits are eligible for funding. Applications for city-administered housing programs are available on an ongoing basis; proposals for other projects are accepted on an annual basis.

Contact: Chris Imhoff, Grant Administrator: 406.455.8407; or Bruce Haman: 406.455.8404; Community Development Department, City of Great Falls; 406.454.0495 for the hearing impaired.

City of Missoula CDBG Program

The City of Missoula receives an annual allocation of approximately $642,000 from HUD, which is available to support activities that benefit low- and moderate-income households in the areas of housing, public facilities, economic development and public services. The city conducts a competitive funding process for projects each year between September and November. Technical assistance is available to agencies and individuals interested in participating in the program.

Contact: Mike Barton, Senior Planner: 406.258.3874; or Cindy Wulfekuhle: Principal Grants Administrator: 406.258.4657; Missoula Office of Planning & Grants.

Indian Community Development Block Grant (ICDBG) Program

The Indian Community Development Block Grant (ICDBG) Program provides eligible grantees with direct grants for use in developing viable Indian and Alaska Native Communities, including decent housing, a suitable living environment, and economic opportunities, primarily for low and moderate-income persons.

Contact: Michael E. Boyd, Director, Grants Management Division, U.S. Department of Housing and Urban Development, 1670 Broadway, 8APIG, Denver CO 80202-4801. 303.672-5465 Ext 1296.

Tenant Based Section 8 Program – Rental Vouchers, and Moderate Rehabilitation

Financed by HUD and administered by the MDOC Housing Division, Tenant Based Section 8 (TBS8) Housing Assistance Programs allow very low-income families to pay a set amount toward rent and utilities (currently 30%), based on their gross adjusted income. Very low-income families have incomes of 50% or less of the HUD median family income for the county in which the family resides. HUD establishes income limits annually. The programs provide subsidy payments to property owners on behalf of program participants.

The TBS8 program, using 35 local field agents in eleven locations throughout the state, provides field services: issuing assistance documents, performing inspections, and examining annual income. The wait list to obtain a voucher is approximately 30 months (2-1/2 years) with approximately 7,500 applicants. The Housing Choice Vouchers is the main program in TBS8, with a HUD baseline of 3,737 units, and an annual budget of $15 million.

The Moderate Rehabilitation (Mod Rehab) program has a budget of approximately $2 million annually. In essence a project-based program, owners of substandard property in Montana rehabilitate the property to meet HUD housing quality standards (HQS) and receive subsidized rent for 15 years at a rate high enough to cover the debt service on rehabilitation loans. TBS8 provides a list of prospective tenants and inspects the rental units annually to ensure continued compliance with HQS.

Contact: Debra Demarais, Housing Assistance Program Manager, Montana Department of Commerce: 406.841.2830.

Project Based Section 8 Program

The Montana Project Based Section 8 (PBS8) program is a relatively new program administered by the MDOC Housing Assistance Bureau. Active since November 2000, PBS8 performs as a HUD contractor for management and oversight activities for 100 contracts involving 4,268 affordable rental units. PBS8 conducts on-site management reviews annually for the entire contract portfolio. In addition, PBS8 approves and processes payment vouchers to property owners and agents.

Contact: Dave Parker, Project Based Section 8 Program Manager, Housing Division, Montana Department of Commerce: 406.841.2801.

Emergency Shelter Grants (ESG) Program

The Montana Department of Public Health and Human Services (MDPHHS) Human and Community Services Division administers the ESG Program to help improve the quality of existing emergency shelters for the homeless, make available additional shelters, meet the costs of operating shelters, and provide essential social services to help prevent homelessness. The grant is 100% funded by HUD. Ninety-five percent (95%) of funds received are allocated to the 10 regional Human Resource Development Councils (HRDCs) in the state. The grants fund the renovation, rehabilitation or operating costs of homeless shelters, and the provision of follow-up and long-term services to help homeless persons escape poverty. Shelters to be assisted and services to be delivered are determined by the HRDCs.

Contact: Jim Nolan, Intergovernmental Human Services Bureau, Montana Department of Public Health and Human Services: 406.447.4260.

Housing Opportunities for Persons With AIDS (HOPWA) Program

The MDPHHS Human and Community Services Division also administers the HOPWA Program. New in 2002, MDPHHS received a three-year competitive HOPWA grant covering the States of Montana, North Dakota, and South Dakota. In October 2004, the MDPHHS was awarded a HOPWA renewal grant of $1,450,800 to continue operating the Tri-State Housing Environments for Living Positively (TS HELP) program, and in December 2005, was awarded a competitive grant of $1,429,307. This program is a continuum of housing and related supportive service opportunities for people living with HIV/AIDS and their families in the three states, which do not qualify for direct HOPWA formula grant funding. TS HELP is a partnership between MDPHHS and four private agencies: the Sioux Falls Housing and Redevelopment Commission in South Dakota, Region VII Community Action Program in North Dakota, and Missoula AIDS Council and Yellowstone AIDS Project in Montana.

Contact: Jim Nolan, Intergovernmental Human Services Bureau, Montana Department of Public Health and Human Services: 406.447.4260.

HUD-FUNDED HOMELESS ASSISTANCE PROGRAMS

HUD's Homeless Assistance programs are broken down into two main categories, formula (non-competitive), and competitive. Competitive programs are under the umbrella of Continuum of Care. For more detailed information on homeless assistance programs, go to HUD's website:

http://www.hud.gov/offices/cpd/homeless/programs/index.cfm

The McKinney-Vento Homeless Assistance Act programs administered by HUD that award funds competitively require the development of a "Continuum of Care" system in the community where assistance is being sought. A continuum of care system is designed to address the critical problem of homelessness through a coordinated community-based process of identifying needs and building a system to address those needs. The approach is predicated on the understanding that homelessness is not caused merely by a lack of shelter, but involves a variety of underlying, unmet needs - physical, economic, and social. Funds are granted based on the competition following the Notice of Funding Availability (NOFA):

http://www.hud.gov/grants/

Shelter Plus Care (SPC) Program

Shelter Plus Care grants help provide housing and supportive services on a long-term basis for homeless people with disabilities, especially serious mental illness, chronic drug or alcohol problems, and AIDS. Program grants are used for the provision of rental assistance payments through Section 8 Moderate Rehabilitation for Single Room Occupancy (SRO), sponsor-based rental assistance (SRA), tenant-based rental assistance (TRA), or project-based rental assistance (PRA).

SPC funds are awarded in a nationwide competition, with priority given to homeless needs. States, units of local government, and public housing authorities can apply for SPC grants. Support services must match rental assistance and must be supplied by federal, state, or local governments or private sources.

Non-PHA applicants applying for the SRO component must subcontract with a PHA to administer the rental housing assistance. Applicants for the SRA must subcontract with a nonprofit organization, also called a sponsor, to provide rental assistance to sponsor-owned or leased units. PRA applicants must subcontract with a building owner to provide rental assistance for units in a particular property.

As funds become available, a NOFA is published in the Federal Register. **Eligible applicants interested in applying for Shelter Plus Care funding in Montana will need to apply through the Montana Continuum of Care Coalition for the Homeless.**

Primary Contact: Bob Buzzas, CIVIC Consulting - Montana Continuum of Care Coalition for the Homeless: 406.586.1572.

Contact: Renae Blair, Office of Community Planning and Development, U.S. Department of Housing & Urban Development-Denver: 303.672.5064.

Supportive Housing Program (SHP)

The Supportive Housing Program is designed to develop supportive housing and services that will allow homeless persons to live as independently as possible. Eligible applicants are states, units of local government, other governmental entities such as PHAs, and private nonprofits.

The SHP is authorized by Title IV, Subtitle C, of the McKinney-Vento Homeless Assistance Act of 1987, as amended. It is designed to promote, as part of a local Continuum of Care strategy, the development of supportive housing and supportive services to assist homeless persons in the transition from homelessness and to enable them to live as independently as possible.

Assistance in the Supportive Housing Program is provided to help homeless persons meet three overall goals:

- achieve residential stability,
- increase their skill levels and/or incomes, and
- obtain greater self-determination (i.e., more influence over decisions that affect their lives).

Specific performance measures for each of these three goals must be established based on the needs and characteristics of the homeless population to be served. Grant recipients are required to monitor their clients' progress in meeting their

performance measures on an ongoing basis. In addition to recordkeeping and evaluation that grantees may conduct for their own purposes, HUD requires recordkeeping and annual progress reports. The annual progress report includes questions that ask grantees to report on their progress in meeting performance measures. Grantees are expected to make changes in their program or adjust performance measures in response to ongoing evaluation of their progress.

As funds become available, a NOFA will be published in the Federal Register. **Nonprofits interested in applying for SHP funding in Montana will need to apply through the Montana Continuum of Care Coalition for the Homeless.**

Primary Contact: Bob Buzzas, CIVIC Consulting - Montana Continuum of Care Coalition for the Homeless: 406.586.1572

Contact: Renae Blair, Office of Community Planning and Development, U.S. Department of Housing & Urban Development-Denver: 303.672.5064.

Single Room Occupancy (SRO) Program for Homeless Individuals

The SRO Program provides rental assistance for homeless persons in connection with the moderate rehabilitation of SRO dwellings. SRO housing contains units for occupancy by one person. These units may contain food preparation or sanitary facilities, or both.

Under the program, HUD enters into Annual Contributions Contracts with public housing agencies in connection with the moderate rehabilitation of residential properties that, when rehabilitation is completed, will contain multiple single room dwelling units. These PHAs make Section 8 rental assistance payments to participating owners (i.e., landlords) on behalf of homeless individuals who rent the rehabilitated dwellings. The rental assistance payments cover the difference between a portion of the tenant's income (normally 30%) and the unit's rent, which must be within the fair market rent (FMR) established by HUD.

Rental assistance for SRO units is provided for a period of 10 years. Owners are compensated for the cost of some of the rehabilitation (as well as the other costs of owning and maintaining the property) through the rental assistance payments. To be eligible for assistance, a unit must receive a minimum of $3,000 of rehabilitation, including its prorated share of work to be accomplished on common areas or systems, to meet housing quality standards (HQS).

Assistance provided under the SRO program is designed to bring more standard SRO units into the local housing supply and to use those units to assist homeless persons. The SRO units might be in a rundown hotel, an old school, or even in a large abandoned home.

As funds become available, a NOFA will be published in the Federal Register. **Eligible applicants interested in applying for SRO funding in Montana will need to apply through the Montana Continuum of Care Coalition for the Homeless.**

Primary Contact: Bob Buzzas, CIVIC Consulting - Montana Continuum of Care Coalition for the Homeless: 406.586.1572.

Contact: Renae Blair, Office of Community Planning and Development, U.S. Department of Housing & Urban Development-Denver: 303.672.5064.

HUD-FUNDED SPECIAL NEEDS HOUSING

Supportive Housing for the Elderly (Section 202)

Supportive Housing for the Elderly provides funding to expand the supply of housing with supportive services for very low-income persons 62 years of age or older. Initial legislation authorizing this program was enacted in the Housing Act of 1959 (Section 202) and was amended in 1990 by Section 801 of the National Affordable Housing Act. Section 202 funding falls into two categories: capital advances and project rental assistance. Capital advances are to finance elderly housing that also offers supportive services. The advances are non-interest-bearing, and are based on development cost limits published in the Federal Register. Project rental assistance covers the difference between the HUD-approved operating cost per unit and 30% of resident's adjusted income. Funds can be used for acquisition, rehabilitation, new construction, rental assistance, and support services for households containing at least one person over 62 years of age. Private, nonprofit organizations and consumer cooperatives are eligible to apply.

A NOFA is usually issued in early spring for Supportive Housing for the Elderly and funding is available for eligible Montana entities. Those applications scoring the highest receive funding. To receive application materials, download the information from **www.grants.gov**. Applicants are required to submit an electronic application unless they receive a waiver of the requirement from HUD Headquarters. Regulations and guidelines may be found in HUD Handbook 4571.3 Rev-1 Supportive Housing for the Elderly and 24 CFR 891.

Contact: Cynthia Lightner, U.S. Department of Housing & Urban Development, Denver Multifamily Hub: 303.672.5446.

Supportive Housing for Persons with Disabilities (Section 811)

Section 811 grant monies are awarded to nonprofit organizations providing assistance to expand housing with supportive services for persons with disabilities. This often includes group homes and independent living facilities. Section 811 is targeted toward persons with a physical or developmental disability, or chronic mental illness that is expected to be of long and indefinite duration, substantially impedes the

person's ability to live independently, and is of such a nature that such ability could be improved by more suitable housing conditions.

The program was authorized by the National Affordable Housing Act, Section 811. The competitive grants are available in two forms: capital advances based on the development cost limits published in the Federal Register, and project rental assistance to cover the difference between HUD-approved operating costs and 30% of the resident's adjusted income. Occupancy is open to very low-income persons who are at least 18 years old.

A NOFA is usually published in early spring in the *Federal Register* for Supportive Housing for Persons with Disabilities. Funding is available for eligible entities in Montana. Those applications scoring highest receive funding. For application materials, download the information from **www.grants.gov**. Applicants are required to submit an electronic application unless they receive a waiver of the requirement from HUD Headquarters. Regulations and guidelines may be found in HUD Handbook 4571.2 Supportive Housing for Persons with Disabilities, and 24 CFR 891.

Contact: Cynthia Lightner, U.S. Department of Housing & Urban Development, Denver Multifamily Hub: 303.672.5446.

U.S. DEPARTMENT OF AGRICULTURE RURAL DEVELOPMENT PROGRAMS

U.S. Department of Agriculture (USDA) Rural Development (RD) loans and grants are available to assist rural Montana with Single Family Housing and Multifamily Housing needs. RD partners with local lenders, community groups and local, state and federal funding sources.

Single Family Housing Programs

The single family housing programs provide homeownership opportunities to very low-, low- and moderate-income rural residents through several loan, grant, and guarantee programs. The program also provides loans and grants to individuals to finance the vital improvements necessary to make their homes decent, safe, and sanitary.

Rural Housing Guaranteed Loans (Section 502)

The purpose of this program is to assist low- and moderate-income households through the 90% guarantee of loans made by conventional lenders for acquisition of single-family homes. Because a down payment is not required, this program helps borrowers by reducing the closing costs. In addition, there is no mortgage insurance premium cost, which further reduces the up-front costs and monthly payments.

Applicant Requirements: To qualify for a loan guarantee, each applicant must meet all of the following criteria:

- Be unable to obtain a loan through a conventional mortgage source
- Have sufficient income to meet all obligations
- Principal, interest, taxes, and insurance (PITI) cannot exceed 29% of monthly gross income
- Total indebtedness (monthly obligations) cannot exceed 41% of monthly gross income
- Have an acceptable credit history
- Be a U.S. citizen or be legally admitted to the U.S. for permanent residency
- Be the owner occupant of the dwelling
- Adjusted annual income must meet the income requirements for the area (less than 115% of area median income). Contact your local office for the applicable area limits.

Home Requirements: In addition to applicant requirements, there are also certain requirements for the home. It must provide modest, decent, safe, and sanitary housing for the family and cannot have an in-ground swimming pool or other structures designed for income-producing purposes.

The land value of the property cannot exceed 30% of the appraised market value of the home. The property must meet FHA requirements.

502 Leveraged Loans

Under this program, a minimum of 20% of the total mortgage is covered by a loan from the conventional lender, while the remainder is financed through a USDA RD loan at a lower interest rate based on the borrower's income. This provides the borrower with a "blended" interest rate lower than market rates. Applicant's income is limited to less than 80% of area median income.

502 Direct Loans:

In limited circumstances, borrowers can receive a 100% direct loan from USDA for the entire purchase price of the home at significantly lower interest rates. Because available funds for the program are limited, assistance under this program is reserved for those with the greatest need looking for homes in targeted areas. Applicant's income is limited to less than 80% of area median income.

Contact: Deborah Chorlton, Housing Program Director, USDA Rural Development, Bozeman: 406.585.2551.

504 Repair Loans and Grants

USDA Rural Development also helps existing homeowners with home improvement loans to improve or modernize their existing home. Eligible very low-income residents (less than 50% of area median income) can apply for loans of up to $20,000 at one percent interest with a repayment period of up to 20 years.

Very low-income elderly residents aged 62 or older may qualify for grants or a combination of grants and loans to remove health or safety hazards. Lifetime grant assistance is limited to $7,500.

Eligible improvements include:

- Installing and repairing sanitary water and waste disposal systems, including related plumbing and fixtures
- Paying reasonable connection fees for utilities
- Installing various energy conservation measures including insulation and storm windows
- Repairing or replacing heating systems and electrical wiring
- Making structural improvements including repairing or providing structural supports, repairing or replacing the roof, and replacing severely deteriorated siding
- Improving homes to make them accessible to handicapped residents

Contact: Deborah Chorlton, Housing Program Director, USDA Rural Development, Bozeman: 406.585.2551.

Technical Assistance Grants/Mutual Self-Help Housing Program

Another option available for some families in Montana is the Mutual Self-Help Housing Program. Through this program, nonprofit organizations receive technical assistance grants to help very low- and low-income families build their own homes. Applicants must show a need for self-help housing, the professional expertise to supervise a project, and a lack of funding to be eligible for this assistance.

Approved applicants in groups of 8 to 12 families provide sweat equity, working together under the guidance of professionals to build each other's homes. When all the homes are completed, each family has gained shelter, confidence, beneficial skills, and an unparalleled sense of community relationship.

Contact: Deborah Chorlton, Housing Program Director, USDA Rural Development, Bozeman: 406.585.2551.

Multifamily Housing Programs

Section 515 Rural Rental Housing Loans

Increased home prices have resulted in a higher percentage of renters throughout the nation. More facilities are needed to meet this demand. The multifamily housing Section 515 program provides financing to build or purchase and repair, apartment style housing for very low- and low-income residents in rural communities with a population of up to 20,000 people. Tenants pay 30% of their monthly gross income and the program subsidizes the remaining rent through rental assistance. Interest rates are subsidized at one percent. The loan term is 30 years with a 50-year amortization.

The housing must be modest in size, design, and cost, but adequate to meet the tenant's needs.

Eligible applicants include individuals, trusts, associations, general partnerships, limited partnerships, limited liability companies, state or local public agencies, and limited-profit and nonprofit corporations. Nonprofit corporations may be organized on a regional or multi-county basis. Loans to nonprofits may be up to 100% of the appraised value or development cost, whichever is less.

Contact: Deborah Chorlton, Housing Program Director, USDA Rural Development, Bozeman: 406.585.2551.

Section 538 Guaranteed Rural Rental Housing Program

The Section 538 Guaranteed Rural Rental Housing Program is available thanks to a partnership between the Federal government and major financial lending institutions. The program is designed to help qualified local lenders serve the rental housing needs of low- and moderate-income households in their community.

Under the RHS Guaranteed Rural Rental Housing Program, qualified lenders are authorized to originate, underwrite, and close loans for multifamily housing complexes requiring new construction. In turn, USDA will guarantee the lender's loan up to 90% of the total development cost and will commit to paying up to 90% of the outstanding principal and interest in the event of a default on the loan. The program has had less than a one percent default rate over its history.

The loan guarantees can be used with other subsidy funding programs such as the Low Income Housing Tax Credit program, Montana Department of Commerce's HOME program, and state rental assistance programs.

To be eligible for the program, lenders should be approved as multifamily lenders through FHA, Fannie Mae, or Freddie Mac. Other lenders with multifamily lending

experience may also be approved, such as Federal Home Loan Bank system members and state or local Housing Finance Authorities (HFAs).

The lender must assume the risk on the unguaranteed portion of the loan, underwrite, and originate loans for the guarantee. The lender performs all loan servicing functions, including asset management and liquidation, and monitors rent and income levels of the project.

Loan guarantees can be used for:

- New construction, and moderate or substantial rehabilitation
- Acquisition of buildings that meet "special housing needs"
- Combination of construction and permanent loans
- Construction of a wide variety of housing types

Eligible borrowers include:

- Individuals
- Nonprofit or limited-profit corporations
- Partnerships
- Limited liability companies
- Trusts
- State and local agencies
- Indian tribes
- Any other entity deemed eligible

Contact: Deborah Chorlton, Housing Program Director, USDA Rural Development, Bozeman: 406.585.2551.

Farm Labor Housing

Farm Labor Housing provides loans and grants to farm owners, family farm organizations, state and local public agencies, and private broad-based organizations or nonprofit organizations of farm workers. The basic objective is to provide decent, safe, and affordable housing for domestic and migrant farm labor located in areas where the need exists. The housing units can be located on or off the farm property.

Contact: Deborah Chorlton, Housing Program Director, USDA Rural Development, Bozeman: 406.585.2551.

Housing Preservation Grants

Housing Preservation Grants are provided to nonprofit and governmental organizations to remove health and safety hazards to owner-occupied residences or rental housing for low-income individuals. These grants are combined with other funding sources to accomplish the repairs.

Contact: Deborah Chorlton, Housing Program Director, USDA Rural Development, Bozeman: 406.585.2551.

OTHER FEDERAL PROGRAMS

Low Income Housing Tax Credit (LIHTC) Program

The low income housing tax credit, established by Congress in the Tax Reform Act of 1986, is intended to provide for retaining, rehabilitating, and/or constructing low-income rental housing. Through the program, developers and owners of qualified housing receive an annual federal tax credit for 10 years, based on the number of housing units provided to low-income individuals and families. The Montana Board of Housing (MBOH) administers the LIHTC in Montana and receives authority to allocate the credit through the Internal Revenue Code of approximately $2.1 million per year. Staff monitors projects to ensure low-income tenant and rent restrictions are met. Any non-compliance issues are reported to the IRS.

Contact: Mathew Rude, Multifamily Program Manager, Montana Board of Housing: 406.841.2845.

Veterans Administration (VA) Direct Loans for Native Americans Living on Trust Lands Loan Program

The VA Native American Direct Loan (NADL) Program is available to assist eligible Native American veterans purchase, build, or improve a home on Tribal Trust Lands. Loan amounts are determined by an appraisal of the property, but are limited to a maximum loan limit governed by the conforming limit. To qualify, the applicant's tribal organization or group must have signed an agreement to participate in the NADL Program. The applicant must be determined to be a satisfactory credit risk and have sufficient income to repay the loan before the loan can be approved.

Native American Veterans desiring more information or wanting to determine his or her eligibility for the NADL Program should contact: *Bruce Newton, Sr. Loan Specialist, VA Regional Loan Center, Box 25126, Denver, CO 80225, or toll-free: 888.349.7541, option 2.*

U.S. Department of Energy and Other Energy Programs

Energy program funds are available from the U.S. Department of Energy and other agencies. Allocations can be used for rehabilitation and new construction.

Weatherization

Energy costs are one of the greatest demands on a low-income family's resources. During Montana's winter, these costs can exceed rental or mortgage costs. The weatherization program, administered by the MDPHHS, is primarily funded by the U.S. Departments of Energy and Health and Human Services. The program is designed to help low-income persons reduce their home heating costs and to conserve natural resources. The funds are directed toward local HRDCs and tribal organizations. These groups decide where the grant money will be spent to install energy saving measures in the homes of low-income persons. Homes are prioritized based on energy consumption. Specific measures are decided upon after each home has had an energy audit to determine what activities would be most cost-effective. Measures include insulation, caulking, and furnace repair or replacement. Labor and materials are purchased locally. By reducing overall costs, weatherization helps a family stay in their home, increasing family self-sufficiency.

Funds are currently available and are being allocated in the weatherization program. Submitted applications scoring highest receive funding. Apply by calling the contact listed below or 800.332.2272.

Contact: Jim Nolan, Intergovernmental Human Services Bureau, Montana Department of Public Health and Human Services: 406.447.4260.

Low Income Energy Assistance Program (LIEAP)

The Human and Community Services Division Low Income Energy Assistance Program (LIEAP) is primarily funded by the U.S. Department of Health and Human Services. The goal of this program is to assist low-income families in meeting home heating costs. Funding for households is determined using matrix tables that factor the household's income, fuel type, size and type of home, and local heating degree-days. Most payments are made directly to the household's utility company. Emergency payments are allowed for unforeseen energy-related events. Up to 15% of the block grant may be used for weatherization activities to decrease long-term heating cost problems.

Apply by calling the contact listed below or toll free at 800.332.2272.

Contact: Jim Nolan, Intergovernmental Human Services Bureau, Montana Department of Public Health and Human Services: 406.447.4260

HUD Energy Star Initiative

HUD joined with the U.S. Environmental Protection Agency (EPA) and DOE to promote Energy Star (**www.energystar.gov**) in all HUD programs through a Memorandum of Understanding (**www.hud.gov/news/release.cfm?content=pr02-105.cfm**) signed by Secretary Martinez in 2002. HUD will work with EPA and DOE to expand the use of Energy Star products in assisted and public housing and in projects financed through other HUD programs such as CDBG and HOME. Energy Star is a voluntary labeling program designed to identify and promote energy efficient products and appliances. Energy Star-labeled products save energy and money and protect the environment. Improved energy efficiency in housing can generate significant savings for property owners and building residents.

Contact: Larry Gallagher, U.S. Department of Housing & Urban Development, Montana Field Office, Helena: 406.447.1480; website: **http://www.hud.gov/energy/**

Guaranteed Loan Programs

A number of guaranteed loan programs at or below market rates are available for qualified homebuyers. Financial institutions in partnership with the Montana Board of Housing make guaranteed loans available to Native Americans and those living in rural settings. The U.S. Department of Veterans Affairs offers guaranteed loans to eligible service members, veterans, and unmarried surviving spouses.

HUD Section 184 Indian Housing Program

HUD's Section 184 Loan Guarantee Program is a unique approach to providing Native Americans with access to capital on and off the reservation, by utilizing a public-private sector partnership. The funding for the mortgage is private sector funds and HUD provides the mortgage guarantee. This partnership enables Native American families and tribally designated housing entities (TDHEs) to gain access to sources of private financing. A tribal member who will occupy the property as his/her principal home and has met certain credit and underwriting standards is an eligible borrower. Tribally designated housing entities that may borrow funds for the development of single-family housing and up to four units of multifamily housing. These units are subsequently sold to eligible borrowers. Loans are processed by lenders and reviewed by HUD's Office of Loan Guarantee in Denver, Colorado. Lenders can be direct endorsement certified. To apply, visit any approved lender (financial institution) and apply for a mortgage loan.

Contact: Lyle Konkol, U.S. Department of Housing & Urban Development, Helena Field Office: 406.447.1487.

The Montana Board of Housing set aside $2,000,000 in recycled mortgage funds to provide the permanent financing for qualifying lower income individuals for single family homes that are guaranteed by HUD through Section 184 for Native Americans.

The MBOH worked with local banks, tribal representatives, bond counsel, state and regional HUD officials to get special consideration and guarantees from the Secretary of HUD in Washington D.C. to enable the MBOH to participate in this program.

Contact: Charles Brown, Homeownership Program, Montana Board of Housing: 406.841.2850.

HUD Title VI Loan Guarantee Program

HUD's Title VI Loan Guarantee Program enables Tribal Designated Housing Entities (TDHEs) to leverage current and future NAHASDA dollars to address immediate housing needs on the reservation. The borrower leverages these funds to finance affordable housing activities today by pledging future grant funds as security for repayment of the guarantee obligation. A private lender or investor provides the financing and HUD provides the guarantee to the lender or investor.

Contact: Lyle Konkol, U.S. Department of Housing & Urban Development, Helena Field Office: 406.447.1487.

HUD Housing Counseling Grant Program

The objective of this program is to counsel homeowners, homebuyers, and prospective renters and tenants in improving their housing conditions and in meeting the responsibilities of tenancy and homeownership. The uses are to provide a variety of housing counseling services including single family home buying, renting, defaults, foreclosure prevention, credit issues and reverse mortgages. Eligible applicants are qualified public or private nonprofit organizations that can provide special competence and knowledge counseling for low- and moderate-income families. The program has no matching fund requirements. However, applicants need to demonstrate funding from other resources.

Contact: Denver Homeownership Center: 303.672.5200, Ext. 1021: or toll-free: 800.569.4287 for the nearest Housing Counseling Agency.

Rural Housing and Economic Development Program

The objective of this program is to expand the supply of affordable housing and access to economic opportunities in rural areas. Grants can be used for capacity building, and support for innovative housing and economic development activities. Eligible applicants are rural nonprofit organizations and community development corporations, federally recognized tribes, state housing finance agencies, and state community and economic development agencies.

Contact: Larry Gallagher, U.S. Department of Housing & Urban Development, Montana Field Office, Helena: 406.447.1480

VA Guaranteed Home Loans for Veterans

The U.S. Department of Veterans Affairs (VA) guarantees loans made by mortgage lenders to eligible military veterans, active duty military service members, certain members of the National Guard and Selective Reserves, and certain un-remarried surviving spouses of deceased veterans. The purpose of a VA Guaranteed loan can be to purchase, build, or improve personal residences, or to refinance an outstanding mortgage on a home. Properties securing VA loans must meet acceptable Minimum Property Standards. The VA does not require a down payment and the maximum loan amount is determined by the lesser of the appraised value or the cost of the home. "Cash out refinance loans" are limited to 90% of the appraised value of the home. Applicants must be determined to be a satisfactory credit risk and have sufficient income to repay the loan and certify that they intend to occupy the property as their permanent place of residence.

To apply for a Certificate of Eligibility for VA Loan Guaranty Benefits, a veteran should complete a Request for Determination of Eligibility, VA Form 26-1880, and submit it with proof of military service to the VA Eligibility Center, PO Box 20729, Winston-Salem, NC 27120. Their overnight mail address is: 251 North Main Street, Winston-Salem, NC 27155. The e-mail address for Winston-Salem is: **nc leligib@vba.va.gov**. Further information about VA loans is also available.

Contact: Loan Production, VA Regional Loan Center, Box 25126, Denver, CO 80225-0126; or toll-free: 888.349.7541, option 2.

HUD/FHA Mortgage Insurance and Conversion Programs

The Federal Housing Administration (FHA), which is part of HUD, helps homebuyers become homeowners through its mortgage insurance programs. An FHA insured loan is available to anyone with a satisfactory credit record, an income sufficient to afford the mortgage payments, and adequate savings to cover a low down payment and closing costs. Homebuyers wishing to obtain an FHA insured mortgage should contact any FHA approved lending institution such as a bank, mortgage company, savings and loan, or credit union.

Section 203B Insured Loans

This program is limited to owner occupant buyers for the purchase of a new or existing one-to-four unit dwelling. The down payment requirement is 3% of the purchase price or appraised value, whichever is lower.

The maximum mortgage FHA can insure depends on local housing prices. For example, the maximum mortgage can range from a low of $200,160 to $384,936, depending on the number of units in the dwelling and the county in which it is located. Contact a lender for information on maximum mortgage limits in your area and to

apply for an FHA insured mortgage. The loan limits on 203B loans change each year. Contact the Helena office for the updated loan limit information.

Contact: Don Smith, HUD/FHA - Helena Office: 406.449.5050.

Section 203K Substantial Rehabilitation Insured Loans

This program allows an owner occupant or investor to finance the purchase of a property in need of major repairs, or to refinance an existing loan and needed repairs. Using a 203K insured mortgage, the borrower can get one mortgage loan at a long term fixed (or adjustable) rate to finance the purchase price of the property as well as the cost of repairs. The benefit to the lender is that the loan is FHA insurable at closing, before any repairs are started. The benefit to the borrower is that only one loan is necessary to purchase and repair the home. Without 203K, a purchaser would likely have to obtain one loan to purchase the property, another loan to do the repairs and another permanent mortgage when the work was completed to pay off the interim loans with the permanent mortgage.

The program is flexible. It can be used to improve an existing one-to-four unit dwelling in any of the following ways:

1. Buy a home and remodel
2. Refinance your present home and remodel
3. Buy a house and move it onto a new foundation on another property
4. Place your manufactured home (built after 6/15/76) on a permanent foundation
5. Convert a single family home to a 2- to 4-unit property
6. Remodel a multi-unit property to a single family home
7. Rebuild a damaged or demolished home if the existing foundation is acceptable

For example, the 203K can be used to remodel a kitchen, add a bathroom, finish a basement, build a new garage, install new siding, drill a well, replace a septic system, update the plumbing, heating or electrical systems, repair or replace a roof, install new flooring, install energy efficiency items, or other types of remodeling. Contact a lender for information on maximum mortgage limits in your area and to apply for an FHA 203K insured mortgage.

Contact: Don Smith, HUD/FHA - Helena Office: 406.449.5050.

"Streamline (K)" Limited Repair Program

The "Streamline (K)" program is intended to assist homeowners with basic minor repairs costing up to $35,000. The Streamline (K) program is a modification of the 203(K) program to facilitate purchase transactions in which the property needs minor rehabilitation work, as identified in a pre-purchase home inspection or FHA appraisal.

Unlike the standard 203(K) program, any approved mortgage will allow for acquisition and from $0 to $35,000 in the loan proceeds to be applied toward repair/rehabilitation of the property.

Contact: Don Smith, HUD/FHA - Helena Office: 406.449.5050.

Home Equity Conversion Mortgages (HECM)

Homeowners, age 62 and older, who have paid off their mortgages or have only small mortgage balances remaining are eligible to participate in HUD's reverse mortgage program. The program allows homeowners to borrow against the equity in their homes. Homeowners can receive payments in a lump sum, on a monthly basis (for a fixed term or for as long as they live in the home), or on an occasional basis as a line of credit. Homeowners whose circumstances change can restructure their payment options.

Unlike ordinary home equity loans, a HUD reverse mortgage does not require repayment as long as the borrower lives in the home. Lenders recover their principal, plus interest, when the home is sold. The remaining value of the home goes to the homeowner or to his or her survivors. If the sales proceeds are insufficient to pay the amount owed, HUD will pay the lender the amount of the shortfall. The FHA collects an insurance premium from all borrowers to provide this coverage.

The size of reverse mortgage loans is determined by the borrower's age, the interest rate, and the home's value. The older a borrower, the larger the percentage of the home's value that can be borrowed. For example, based on a loan at 9% interest, a 65-year-old could borrow up to 26% of the home's value, a 75-year-old could borrow up to 39% of the home's value, and an 85-year-old could borrow up to 56% of the home's value.

There are no asset or income limitations on borrowers receiving HUD's reverse mortgages. There are also no limits on the value of homes qualifying for a HUD reverse mortgage. However, the amount that may be borrowed is capped by the maximum FHA mortgage limit for the area. As a result, owners of higher-priced homes cannot borrow any more than owners of homes valued at the FHA limit.

HUD's reverse mortgage program collects funds from insurance premiums charged to borrowers. Senior citizens are charged 2% of the home's value as an up-front payment plus one-half percent on the loan balance each year. These amounts are usually paid by the lender and charged to the borrower's principal balance. Contact a lender for information on maximum mortgage limits in your area and to apply for a HUD/FHA Home Equity Conversion mortgage.

Contact: Don Smith, HUD/FHA - Helena Office: 406.449.5050.

HUD Center for Faith-Based and Community Initiatives

In order to ensure that all eligible organizations are treated equally in the grant application process, HUD has made historic changes to its regulations. HUD is dedicated to ensuring that stakeholders inside and outside of HUD are well-educated about the changes in regulations that allow faith-based groups to participate. There is no separate pot of money for the Faith-Based and Community Initiative. The key to the initiative is to provide access for faith-based and community groups to apply for federal grants or grants from entitlement communities. The intent of the program is to "level the playing field" so that all nonprofit groups, including faith-based groups, are treated equitably and fairly. The idea is to make federal grants "faith-friendly" but not to give a preference to faith-based groups. Note: Faith-based and community groups are "competing" for federal or local grants and must have the expertise and capacity to deliver the services or product for which the funding is intended. A Tool Kit for Montana Faith Based and Community Organizations is available:

http://www.hud.gov/local/shared/working/r8/fbci/index.cfm?state=mt

Contact: Larry Gallagher, U.S. Department of Housing & Urban Development, Montana Field Office, Helena: 406.447.1480

STATE PROGRAMS

MONTANA BOARD OF HOUSING (MBOH) PROGRAMS

The Montana Board of Housing was created by the Montana Housing Act of 1975 in order to alleviate the high cost of housing for low-income persons and families. The funds to operate the programs administered under the act are generated either through the sale of tax-exempt bonds or from administrative fees. The MBOH receives no state funds to operate the programs. The MBOH's programs fall into three categories: homeownership, multifamily, and elderly programs.

Homeownership Programs

Homeownership Mortgage Program

This program is financed through the sale of tax-exempt bonds issued by the MBOH. Because of the tax-exempt status of the bonds, the MBOH is able to loan the funds to lower income individuals in the form of low-interest loans. While the program is mainly to assist first time homeowners, in certain targeted areas, the borrowers need not be first time purchasers. The home is to be owner-occupied with limited business use of the property. Income and purchase price limits apply for the area of Montana where the house is located.

Contact: Charles Brown, Homeownership Program, Montana Board of Housing: 406.841.2850.

Set-aside Homeownership Mortgage Program

The MBOH makes mortgage funds available through recycled mortgage prepayments and other funds held under prior bond issues of the Single Family Bond Program. The MBOH works in partnership with local nonprofit housing providers and local governments to develop programs to target specific housing needs within the local community. The MBOH provides permanent, below market rate, 30-year mortgage financing, often coupled with federal grants or local funds, to make homeownership more affordable for lower income individuals and families. Applications are submitted monthly through the MBOH's "Request for Proposal" process.

Contact: Charles Brown, Homeownership Program, Montana Board of Housing: 406.841.2850.

Disabled Accessible Affordable Homeownership Program

The MBOH sets aside funds to provide affordable, architecturally accessible homes for people with disabilities such that they can live independently. An eligible home buyer, spouse, child, or parent must have a permanent physical disability with a mobility impairment, may not have an annual income in excess of $30,000 after qualified medical deductions, or total family assets exceeding $50,000, and must be a first time home buyer or had purchased a home prior to becoming disabled and it is no longer accessible to their needs.

Contact: Doug Jensen, Homeownership Program, Montana Board of Housing: 406.841.2854.

MyMontanaMortgage

This program expands the range of borrowers that MBOH can serve by combining the MBOH lower set-aside mortgage interest rate with expanded underwriting available through Fannie Mae. The qualifications are similar to the Single Family Mortgage program and is targeted to four special groups, including:

- Native Americans
- housing subsidy clients working with an authorized Section 8 homeownership program
- households that have one or more household members with an ADA-defined disability (not limited to access-disabilities as in the program above)
- borrowers who work full-time in essential services that include employees in public or private schools (from kindergarten through college level, custodial and administrative, and teachers), police and fire fighters, and certified, accredited or licensed health care workers (e.g., nurses, pharmacists, technicians).

Contact: Jeannene Maas, Homeownership Program, Montana Board of Housing: 406.841.2851.

Mortgage Credit Certificate (MCC) Program

The Mortgage Credit Certificate Program allows eligible homebuyers to receive a dollar for dollar reduction in their federal income taxes of up to 20% of the annual interest paid on their mortgage. Borrowers can file an amended withholding statement with their employer and increase their monthly take-home pay by the amount of the credit. Lenders can use the additional income to help qualify the borrower for a loan. The MCC can be attached to any loan statewide, except for a loan financed through the MBOH Bond Program. The qualifications are identical to the single-family mortgage program.

Contact: Jeannene Maas, Homeownership Program, Montana Board of Housing: 406.841.2851.

Montana House™ Program

The Montana House™ program is a collaboration between the MBOH, Anaconda Job Corps, Trapper Creek Job Corps, Blackfeet Community College, United Brotherhood of Carpenters and Joiners of America, and Painters & Allied Trades International Union. The MBOH provides the building materials for the homes. Students in the Pre-Apprenticeship Carpentry Training Program at the two Job Corps sites build the homes under the guidance of union carpenters and painters. Blackfeet Community College students will be building the homes as part of their vocational training curriculum.

The Montana House™ is a 1,200 square-foot, three-bedroom, two-bath new home that launches a new era in affordable housing. The home features 2x6 exterior walls with R-19 insulation, quality vinyl windows, oak kitchen and bath cabinets, and energy efficient gas forced air furnace. The home comes complete except for appliances and flooring, which the homebuyer provides. The homebuyer is also responsible for the lot, foundation, moving from the building site, placement on the foundation, utility hook-ups and fees. Montana Homeownership Network (MHN) provides technical assistance for these functions.

Interested homebuyers need to submit an application to MHN. Eligibility criteria apply, including completion of an approved homebuyer education class.

Contact: Montana HomeOwnership Network, Great Falls: (toll free) 800.318.0268
--or--
Doug Jensen, Homeownership Program, Montana Board of Housing: 406.841.2854.

Multifamily Programs

General Obligation (GO) Multifamily Rental Program

This program provides mortgage financing to owners of qualifying housing when the owner agrees to restrict the rents to a specific amount, and to rent only to tenants

below a maximum income level (generally 60% of median income). Currently this program is financing the permanent loans for projects, which receive multiple sources of funding through other programs, where rents on the projects are affordable to very low-income state residents.

Contact: Mathew Rude, Multifamily Program Manager, Montana Board of Housing: 406.841.2845.

HUD/Housing Finance Agency Risk-Sharing

On June 13, 1994, the MBOH received final approval from HUD to participate in the Risk Sharing program. The Risk Sharing Program works in partnership with HUD, whereby HUD provides mortgage loan insurance and the MBOH provides financing, mortgage underwriting and loan management for affordable housing, and the two entities share the risk of loss from a project default. The MBOH intends to finance the program through the sale of tax-exempt multifamily bonds.

Contact: Mathew Rude, Multifamily Program Manager, Montana Board of Housing: 406.841.2845.

Revolving Loan Account Program

This program provides financing to owners of qualifying housing when the owner agrees to restrict the rents to a specific amount, and to rent only to tenants below a maximum income level (generally 60% of median income). Downpayment assistance and rental assistance can also be obtained through this fund. Currently this program does not have a permanent funding source and has limited funds available.

Contact: Mathew Rude, Multifamily Program Manager, Montana Board of Housing: 406.841.2845.

Reverse Annuity Mortgage (RAM) Loan Program

The RAM program enables senior Montanans to use their home equity for an additional income source. The funds may be used for home repairs or improvements, medicine, utility costs, etc. Eligibility is subject to age and income requirements. Borrowers are required to complete a reverse annuity mortgage counseling program. Loans can be from $15,000 to a maximum of $150,000. The maximum loan amount is based on 80% of the FHA-appraised property value. Loans are offered at a five percent interest rate.

Contacts: Gerald Watne: 406.841.2838; or Justin Schedel: 406.841.2812, Multifamily Program; Montana Board of Housing: 406.841.2840, or toll-free 800.761.6264.

MONTANA BOARD OF INVESTMENTS (MBOI) PROGRAMS

Residential Mortgages

The MBOI invests pension funds in Montana mortgages by purchasing loans from approved lenders. The general parameters for MBOI mortgage loans are:

- Interest rates, effective for a one-week period, are posted each Thursday.
- Interest rates may be locked in for a 30 and 60 calendar day reservation period during the one-week posting period.
- Interest rates may be locked for a 180 and 240 calendar day reservation period at the rate during the one-week posting period for take-out loans on residences under construction.
- Conventional loans shall be submitted by means of Automated Underwriting through Federal Home Loan Mortgage Corporation (FHLMC) or Fannie Mae only, subject to the MBOI's criteria.
- Reservations and applications specific to the MBOI's residential loan program will be accessed through the Montana Board of Housing "Lender on Line" loan reservation system.
- Residential loans must be secured by property owned by fee simple interest and located in Montana.
- Maximum loan term is 30 years and each loan must be amortized monthly over the loan term.
- FHLMC underwriting guidelines are used to evaluate all conforming conventional loans.
- FHA insured and VA guaranteed loans will be accepted with approved insurance or guarantee. Automated underwriting is not required for FHA/VA applications and may be submitted through the Montana Board of Housing "Lender on Line" loan reservation system.
- Investor properties and Jumbo loan applications are not eligible for purchase.
- For loans requiring private mortgage insurance after July 29, 1999, the MBOH will consider cancellation when the Homeowners Protection Act and/or FHLMC guidelines have been met.

Contact: Charles Brown, Homeownership Program, Montana Board of Housing: 406.841.2850.

MONTANA DEPARTMENT OF ENVIRONMENTAL QUALITY

Montana Department of Environmental Quality (MDEQ) Air Energy and Pollution Prevention Bureau (AEPPB) has a long history of providing non-enforcement

assistance to enhance energy efficient upgrades, operation and management of energy and recycling for public buildings (state, county and municipal).

The AEPPB is responsible for improving energy efficiency and increasing the use of renewable energy for power generation and transportation fuels; preventing pollution of air and water; reducing the amount of waste going into landfills; increasing recycling markets; planning for energy emergencies; and for collecting and interpreting data on air quality statewide.

Through these activities, the MDEQ has worked with schools, state and local governments in energy efficiency and pollution prevention programs.

Types of technical services include:

- Helping identify buildings that need energy efficiency work
- Identifying areas of improvement within a building
- Providing training on utility bill analysis and utility deregulation issues
- Providing information on state and regional programs that can assist in the implementation of energy efficient energy improvements and renewable energy implementations
- Providing assistance in preparing equipment specification language for bids and other procurement processes
- Benchmarking energy use of buildings and providing information on incorporating energy efficiency options in new building design
- Evaluating new technologies applicable for Montana schools
- Assisting procurement and negotiation in energy performance contracting
- Alternative energy project loans
- Mini-operation and maintenance (O&M) contracts
- Identifying recycling options and helping to initiate
- Identifying energy analysis options (i.e., commissioning, energy studies, etc.) and helping develop a scope of work
- Providing training on energy conservation measures and quality control, energy analysis options, energy performance contracting, benchmarking energy use, O&M, recycling and Montana Energy Code

Some services are available for public housing as well.

Contact: Program Coordinator, MDEQ Energy Planning and Technical Assistance Section: 406.841.5231

OTHER PROGRAMS

FANNIE MAE PROGRAM – COMMUNITY BUSINESS CENTER

Through the Montana Community Business Center (CBC), Fannie Mae works to expand affordable mortgage products and services to support growing communities, under-served neighborhoods, and low-to-moderate-income families; to invest in affordable multifamily developments while working to preserve the affordability of existing rental housing units; and to expand access to mortgage credit on Native American reservations in Montana.

Fannie Mae does not lend money directly to homebuyers. Rather, it purchases loans from lenders in Montana both directly and through "consolidating lenders". Loans are purchased in all markets, at all times, regardless of any economic changes.

Access to Homeownership:

- Fannie Mae will continue to work with the Montana Board of Housing (MBOH) to provide low-interest mortgages for first-time homebuyers. **MyMontanaMortgage** (MMM) was developed to serve low- and moderate-income communities and borrowers. Population target areas include teachers, police officers, firefighters, and health care workers; persons with a disability or a family member with a disability; Section 8 housing choice voucher may be used as qualifying income; and any eligible properties on tribal trust or restricted lands.
- **MyCommunityMortgage** is Fannie Mae's affordable lending product developed to serve more borrowers. It will reach a broader audience of borrowers with its flexible features which include ZERO down payment; lower mortgage insurance premiums; serves borrowers with impaired credit; home-buyer education is not required; and a 40-year term may be offered.

Native American Homeownership Efforts:

- Fannie Mae will work with Montana tribes to bring conventional financing and new or revitalized housing stock to more reservations.

Preserving Homeownership and Rental Opportunities:

- Fannie Mae's small multifamily loan product, low income housing tax credit investments, and homelessness are priorities to ensure affordable housing exists.
- Keeping seniors in their homes and providing opportunities for supportive housing, including the Community Living Loan product for disabled persons, are priorities for the Montana CBC.

Increasing the Supply of Housing Where it is Needed Most:

- Community Development: Fannie Mae will work with cities and developers to help revitalize and increase the supply of housing through various forms of financing.
- Rural Housing: Fannie Mae targets underserved rural regions to increase rental housing, housing for aging populations, and other rural housing issues.

Contacts: Fannie Mae, Billings, MT – Mary Lou Affleck, Senior Deputy Director: 406.255.2241; Fax: 406.252.4044.

MONTANA HOME CHOICE COALITION

The Montana Home Choice Coalition is a coalition of Montana citizens with disabilities; service and affordable housing providers; advocates, federal, state, tribal, and local agencies; the housing finance community; Realtors®; and the housing building industry working together to create better community housing choices for people and families with disabilities. The coalition works on housing issues ranging from homelessness to supportive housing to affordable rentals to homeownership including direct development and construction, resource development, and education, training, and advocacy. In addition, the coalition provides technical assistance on housing financing, accessible housing design, and fair housing issues. A.W.A.R.E., Inc., a statewide nonprofit disability service provider, serves as the lead coordinating agency of the coalition. The Montana Home Choice Coalition is funded through the support of A.W.A.R.E. and Fannie Mae.

The Montana Home Choice Coalition's website, **www.montanahomechoice.org**, provides a comprehensive, one-stop affordable housing information center for the state. It includes information searchable by county on affordable rentals, homeownership, housing development resources, accessible design, fair housing, and demographic information on disability.

The Montana Home Choice Coalition provides persons and families with disabilities pre- and post-purchase housing counseling and referrals to existing community resources around the state. The coalition works to bring additional homebuyer assistance resources to individuals and families with disabilities living in communities across the state. The coalition provides information to prospective homebuyers on various housing resources and opportunities so that prospective homebuyers can make informed choices about their unique circumstances. The coalition works with homebuyers, their family members and caregivers, lenders, and Realtors® to facilitate the successful achievement of homeownership for persons and families with disabilities.

Contact: Michael O'Neil, Montana Home Choice Coalition / A.W.A.R.E.: 406.449.3120; Fax: 406.449.3125; TTY Relay Service: 800.253.4091; e-mail: montanahomechoice@aware-inc.org.

MONTANA HOMEOWNERSHIP NETWORK (MHN)

The Montana HomeOwnership Network is a partnership of approximately 36 state and local government agencies, local and regional nonprofit corporations, housing industry associations and private lenders who work together to provide homeownership opportunities in order to stabilize Montana's communities and allow Montana families to obtain the American Dream of HomeOwnership. MHN, an affiliate of Neighborhood Housing Services (NHS) of Great Falls, is a nonprofit organization providing homebuyer education and one-on-one housing counseling, affordable first mortgages, and down payment and closing cost funds to qualified homebuyers in 55 Montana counties. Established out of an urgent need, especially in Montana's rural localities, for home-buying assistance for lower- and moderate-income families, today's MHN partners provide the following:

- Marketing, outreach and homebuyer education and housing counseling (foreclosure prevention, home equity mortgages, credit) are provided by staff from USDA's Resource Conservation and Development (RC&D) Areas, homeWORD in Missoula and Billings, tribal housing authorities, Human Resource Councils, Consumer Credit Counseling Service, and Neighborhood Housing Services of Great Falls; with funding from HUD and the Montana Board of Housing.
- Management of the statewide effort, loan processing, capital raising, administrative support, and access to NeighborWorks Training Institutes is provided by MHN in Great Falls.
- First mortgages are provided by the Montana Board of Housing, Rural Development, and private lenders.
- Second mortgages for down payment and closing costs are provided by MHN with federal, state (including Montana's HOME program), and private funds.
- Mortgage applications and loan closings are processed by financial institutions across the state.
- Client families are referred by local realtors.

MHN also provides pre-development loans and assistance for affordable housing real estate development projects.

EASTERN MONTANA ASSOCIATION OF AFFORDABLE HOUSING

Eastern Montana Association of Affordable Housing (EMAAH) is a nonprofit organization with a purpose of removing economic barriers hindering or prohibiting individuals and families from living in safe, clean and affordable housing. Through its various programs and partnerships, EMAAH provides a variety of programs for low- and moderate-income-level individuals and families to provide homeownership opportunities. In addition, EMAAH offers affordable rental units. EMAAH offers services to those who wish to live in either an urban or a rural setting. As an organization, EMAAH is committed to providing self-help housing, low cost financing, down payment assistance, education for landlords and tenants, and assistance to individuals with special needs.

Eastern Montana Association of Affordable Housing provides the following:

- Mutual Self-Help housing to help very low- and low-income people construct their own homes. The program helps individuals who are unable to buy clean, safe housing through conventional methods. Individuals participating in this program do about 65% of the construction labor on each other's homes under qualified supervision. Savings from the reduced labor costs allow otherwise ineligible individuals to own their own homes. Applicants must have very low or low incomes.
- Single family and multifamily rental housing is an initiative providing an additional option for clean, safe and affordable housing. An example is the Lincoln Springs development, a 49-unit complex in Billings. The goal, however, is to work with individuals to eventually get them positioned to move from being a renter to a homeowner.

Contact: Christa McClure, Executive Director, Eastern Montana Association of Affordable Housing, Billings: 406.690.7751.

homeWORD

With offices in downtown Missoula and Billings, homeWORD uses innovative, sustainable, and replicable methods to develop affordable housing and asset-building strategies for those most in need.

Developing Quality Affordable Housing

homeWORD develops innovative approaches to affordable housing, pioneering new "green building" methods and models for building communities. A nationally recognized nonprofit Community Development Corporation, homeWORD has helped produce numerous affordable housing units in Missoula and Billings and has helped hundreds of women, children, and families in need. By keeping rents and mortgages at 30% of residents' income, homeWORD helps families overcome financial barriers and stabilize their lives. homeWORD works with rural Montana communities to build affordable housing and strengthen local capacity to develop and maintain these housing projects.

Implementing a holistic approach to affordable housing, homeWORD strives to:

- Help women and families build equity and control of their housing
- Use resource and energy efficient construction methods and alternative building materials
- Utilize local resources for construction
- Engage residents, neighbors and community members in the planning and design process
- Require general contractors to actively seek and hire minority and women-owned businesses
- Create sustainable development models to ensure durable, well-maintained structures for over 50 years
- Implement responsible urban planning and design principles
- Educate families on the home buying process

Homeownership Education and Counseling Services

homeWORD believes that homeownership is the cornerstone of family security, stability and prosperity. homeWORD works to improve homeownership opportunities for individuals and families by helping them build assets and stabilize their lives. homeWORD's walk-in Homeownership Centers, located in downtown Missoula and Billings, provide free comprehensive services that help low-income households purchase and retain their first home. A $10 materials fee may apply. These services include:

- ***"Assessing Homebuyer Readiness" Workshop:*** This 1-hour assessment and calculations workshop helps individuals evaluate their current financial status, decrease their debt, and set realistic goals for saving.
- ***"Get Ready for Homeownership" Class:*** This 10-hour class provides individuals with interactive education and information about the steps to homeownership. One in three people who participate in this class successfully purchase a home, as compared to the national average of one in seven.
- ***Home$tart Down Payment Assistance Program:*** This program offers low-income families the incentive to save towards the cost of down payment and closing costs. In partnership with seven local lending institutions and the Federal Home Loan Bank of Seattle, families receive a 3:1 match in down payment savings, up to $5,000 per household.
- ***One-on-one Counseling:*** Housing counseling is offered to individuals and families by both appointment and walk-ins. Finances are personal and often intimidating; therefore, homeWORD staff works to accommodate the desires of each individual or family by arranging housing counseling sessions that address individual needs.
- ***Foreclosure Prevention Counseling:*** homeWORD partners with WORD's Family Basics Program to coordinate Western Montana's HUD-certified Foreclosure Prevention Program. This program provides guidance and support to help families prevent foreclosing on their home.
- ***Financial Fitness Program:*** This program is 12.5 hours, meets over a 5-week period, and is a nationally certified personal financial management course for adults. Free childcare, refreshments and door prizes are provided. Participants will learn how to set financial goals, create budgets and savings plans, understand credit reports, make smart borrowing choices, manage debt, make smart insurance and tax choices, and avoid financial pitfalls.

To register for any of the programs or services listed above, call the following telephone numbers: Missoula 406.543.4663 (HOME) - or - Billings 406.255.0298 or visit the website.

Website: **www.homeword.org**
Contacts: Missoula: Betsy Hands: 406.543.4663 (HOME)
Billings: Linda Henry; 406.255.0298

HOME-FUNDED LOCAL PROGRAMS

- **Elkhorn Affordable Housing Corporation**, a CHDO in Helena, received $333,333 in 2005. Elkhorn contracted with Rocky Mountain Development Council (RMDC) to complete Phase III of an affordable homeownership program to provide down payment and closing cost assistance to an estimated 12 lower income households in Lewis & Clark County in the greater Helena area, including

East Helena and the Helena Valley. The average assistance is anticipated to be $25,000 per household.

Contact: Larry Middagh, Grant Administrator (Rocky Mountain Development Council, Helena) for Elkhorn Affordable Housing Corp: 406.457.7460.

- **HRC District XI,** Missoula, received $183,667 in 2005 to provide low-interest homeowner rehabilitation loans to an estimated 13-17 low-income homeowners in Missoula, Ravalli and Mineral counties. The terms and conditions of the loans would be tailored to the financial circumstances of the borrower, including deferred payment loans. The average assistance is anticipated to be $15,000 per household.

  Contact: Brendan Moles, District XI Human Resource Council, Missoula: 406.728.3710.

- **Lake County** received $137,015 in 2005 to provide down payment and closing cost assistance to 10 low-income families within Lake County with a deed restricted, no-interest second mortgage. The average assistance is anticipated to be $13,000 per household.

  Contact: Elaine Wood, Grant Administrator (Ronan Housing Authority, Ronan) for Lake County: 406.676.5900.

- The **City of Lewistown's** Affordable Homebuyer Project received $293,333 in 2005 to provide down payment and closing cost assistance to 17-20 low-income families. With Montana Board of Housing funds, the project will provide funds to finance the gap between increasing home purchase prices and the amount families can afford. The city of Lewistown has a long-term relationship with HRDC VI, the grant manager. The average assistance is anticipated to be $15,000 per household.

  Contact: Shelene Reno, (HRDC VI) for the City of Lewistown: 406.535.7488.

- **Neighborhood Housing Services (NHS)** of Great Falls received $333,333 in 2005 to continue providing its homebuyer assistance program to provide down payment and closing cost assistance to 40 low-income, first-time homebuyers deferred mortgages to purchase affordable homes. Funds are available throughout the state, except in entitlement cities or in other areas where a HOME grantee has homebuyer funds available. The average assistance is anticipated to be $8,000 per household.

  Contact: Karen Nebel, NHS, Great Falls: 406.761.5861.

- The **Whitefish Housing Authority (WHA)** received $310,000 in 2005 to provide down payment and closing cost assistance to 10 low-income families. WHA and

Whitefish Housing Development, Inc. (WHDI) plans to secure a minimum of 10 homes, either through purchase from developers or construction of homes on land owned by WHDI. These homes will be made available for purchase by qualified low-income first-time homebuyers using an array of funding partners. The average assistance is anticipated to be $30,000 per household.

Contact: SueAnn Grogan, Whitefish Housing Authority, Whitefish: 406.862.4143.

- **The City of Plentywood** received homeowner rehabilitation funds of $498,000 in 2002 to assist approximately 25 families for the rehabilitation of their owner-occupied homes and for the rehabilitation of a rental property, all within the Plentywood city limits. All participants have an income below 50 percent of the county median.

  Contact: Aldon Joyes, HOME grant administrator for the City of Plentywood, 406.765.3411.

- **Flathead County** received senior citizen homeowner rehabilitation funds of $448,000 in 2004 to assist moderate-income senior homeowners throughout Flathead County.

  Contact: Jim Atkinson, Flathead County Area IX Agency on Aging, 406.758.5730.

- **Cascade County** received homebuyer assistance and homeowner rehabilitation funds of $275,000 for 15 households in 2004 to provide homebuyer and homeownership services to include homebuyer assistance in the form of due-on-sale mortgages for down payment and closing costs for existing homes, homeowner rehabilitation in the form of due-on-sale mortgages for the costs of making essential improvements and bring homes up to applicable standards, construction of new homes in in-fill lots in existing rural communities, acquisition/rehabilitation of salvageable homes and purchase/demolition of inadequate housing stock to provide lots for in-fill construction in Cascade County.

  Contact: Karen Nebel, NHS, Great Falls: 406.761.5861.

Telephone: 406.444.2884 or 800.542.0807
Address: 1625 11th Avenue; P.O. Box 1728; Helena, MT 59624-1728

CITY OF GREAT FALLS FAIR HOUSING

The City of Great Falls Fair Housing Office promotes fair housing by providing fair housing, landlord, and tenant information. The office, located in the Great Falls Civic Center, is open 7:30 a.m. - 4:30 p.m., Monday through Friday.

Contact: Terry Youngworth
E-mail: tyoungworth@ci.great-falls.mt.us
Telephone: 406.455.8418
Address: Civic Center; Community Development Department; P.O. Box 5021; Great Falls, MT 59403

MONTANA LEGAL SERVICES ASSOCIATION

Montana Legal Services Association provides free legal assistance in civil cases to low-income Montanans. Visit the website below or call the statewide hotline to learn more about the services they provide and their eligibility requirements. Montana Legal Services also runs a website with helpful legal information for low- to moderate-income Montanans. If you would like more information on your legal rights visit their website.

Website: **http://www.mtlsa.org/**
Hotline: Western Montana: 800.926.3144 or 800.666.6899
Eastern Montana: 800.999.4941

U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT (HUD)

The HUD Office of Fair Housing and Equal Opportunity, also known as FHEO (**www.hud.gov/offices/fheo/aboutfheo/aboutfheo.cfm**), administers federal laws and establishes national policies that make sure all Americans have equal access to the housing of their choice. If you feel your rights have been violated, the HUD Housing Discrimination Complaint Form is available for you to download, complete and return, or complete online and submit:

www.hud.gov/complaints/housediscrim.cfmis

You may also write HUD a letter or telephone the Denver Regional Office of FHEO. You have one year after an alleged violation to file a complaint with HUD, but you should file it as soon as possible.

Website: **www.hud.gov/complaints/housediscrim.cfm**
Telephone: 303.672.5437 or 800.877.7353 or TTY 303.672.5248
Address: Denver Regional Office of FHEO; U.S. Department of Housing and Urban Development; 1670 Broadway; Denver, CO 80202-4801

OTHER RESOURCES

Montana Home Choice Coalition

The Montana Home Choice Coalition is a coalition of Montana citizens, advocates, providers, federal, state, tribal, and local agencies, the housing finance community, Realtors, and the home-building industry working together to create better community housing choices for all people with disabilities.

Website: **www.montanahomechoice.org**
